Summary: When the balance of chaos and order begins to come apart, it's up to one person to save and restore this balance. Reviews would be nice.

## Chaos and Order

### Ch1-The Chosen One

Hey guys, Laidback guy here with his newest story. This time, I will not use all this unbelievable stuff I see in anime. Instead I will make this as realistic as I can. So without further due, I do not own Hamtaro or anything. Just this plot, which I made in my head. Let's get started. They are humans. I repeat, they are humans.

"Earth," a mysterious voice said. "The Earth is our home. We need to protect our home. The balance of chaos and order is beginning to shift out of control. We, The Order of Solaris, must begin to rectify this situation."

"But we cannot do this alone," another voice said. "We cannot bring chaos all we can do is bring order."

"I know," the first voice said. "For that reason alone, I have decided to contact The Khaos of Lunaris to aid us." As the voice said this, murmurs began to fill the room. "But sir," a third voice asked. "Aren't they our enemies?"

"Yes they are," the first voice. "But even they know that the world cannot survive on chaos only. So they told me what we must do. We must let the chosen one heal the Earth. And that person isâ€¦"

Meanwhile, in Tokyo

"Hamtaro wake up," a woman with white hair said as she was trying to wake up her teenaged son. "If you don't wake up you'll be late for

school."

"Five more minutes," the white and orange hair teen said as he moved around in his bed.

"If you don't wake up," the mother said standing up preparing to leave the room. "Then I'll just have to pick out your clothes. I think I'll pick out the sweater that your grandma got you." With that the teen eyes shot open and he jumped out of bed.

"No need to do that I'm up," Hamtaro said. "I'll go take my shower now."

"Works every time," Yuuko said as she left the room. After about thirty minutes, the two had left and were on their way to Hamtaro's new high school. "Now Hamtaro remember, this your first day since getting transferred. I want you to be on your best behavior."

"I will mom," the teen said as he left for his first class. As he roamed the halls looking for his class, he unexpectedly bumped into someone that was going to change his life forever.

"I'm sorry," Hamtaro said apologizing. "I'm new and I need help trying to find my class."

"Don't worry about," the white head girl said. "My name's Bijou."

"My name's Hamtaro," he said as he bowed. "It's nice to meet you Bijou."

"Wow aren't we polite," Bijou said. "Well your class is that way."

"Thank you," Hamtaro said. As he tried to leave to go to class, he bumped into another person. "Sorry about that."

"What were you doing talking to my girl?" the person over him said.

"I'm new I was just asking for directions to my class," Hamtaro said. The towering boy held Hamtaro up to some lockers. "That's all I said I swear."

"That's what they all say," the muscular teen said poised to punch Hamtaro.

"Boss, he's telling the truth," Bijou said. "Now put him down. You need to get to class before you're late." As the teen listened and put Hamtaro down, Bijou pecked him on the cheek.

"This isn't over," Boss said pointing to Hamtaro.

"Don't worry about that," Bijou said. "We have the same class so I'll take you there."

"Thanks," Hamtaro said as he followed the girl. _"Well, haven't been here 20 minutes and someone already hates me. What a year this is going to be?"_
